

ENVIRONMENTAL POLICY STATEMENT

- 1) It is the policy of **Pressure Test Limited** to ensure it promotes the protection and enhancement of the natural environment at all times in such a way as to maintain, so far as is reasonably practicable, the built environment.
- 2) The policy requires and expects all levels of management and supervision to actively initiate and pursue ways and means of protecting the natural environment from degradation. It is the responsibility of all employees, from directors to operatives, to comply with their legal and moral environmental obligations.
- 3) It is the policy of the Company that responsibility for implementing the Company Environmental Policy be clearly defined and environmental consultation is carried out via line management. The company will appoint an environmental advisor to advise, provide information and training as necessary, monitor and assist in implementation of the policy so as to secure compliance throughout the Company and confirm it meets its statutory duties.
- 4) It is the policy of the Company that environmental issues are communicated effectively to all employees by the provisions of such information training, instruction and supervision as is necessary to ensure as far as is reasonably practicable, they are aware of their social and environmental responsibilities.
- 5) The Company will ensure that our responsibilities are discharged by implementing the following:
 - a) Strict compliance with all relevant legal and regulatory requirements as well as codes of practice.
 - b) Work methods such as to minimise pollution and disruption.
 - c) The efficient use of materials and resources with particular regard to the long term sustainability of consumable items.
 - d) Wherever possible to reduce the emissions from vehicles and plant.
 - e) To monitor waste and keep it to a minimum.
 - f) Manage environmental risks and hazards
 - g) Provide a prompt effective response to environmental incidents
 - h) Set our own standards where none are in place.
- 6) Employees, or any party deemed as working for the Company in any capacity, are legally responsible for their own conformity to environmental regulations and must obey all the environmental instructions given by the Company.
- 7) In the interest of all employees, customers and the general public, the Company requests that its customers and visitors recognise and respect this policy, a copy of which can be obtained on request.
- 8) The Company undertakes to review and update this policy where necessary, to keep within government requirements, each amendment carrying a director's signature and the date of amendment.

Signed for and on behalf of **Pressure Test Limited**
